

### **SERVICES YOU WILL APPRECIATE:**

1. Sourcing: We source the best supplier and ensure to give the best products as per specifications and quality standards given by the client
2. Price negotiations: We help you negotiate the price with suppliers.
3. Supplier visit: Arrange Meeting or Factory visit with the suppliers suggested by us or by clients.
4. Follow-up & Inspection: Follow up with suppliers regarding the progress of order status. We also check/inspect the goods as per client's instructions and specifications.
5. Payments: We guide you for stage-wise release of payments to suppliers based on the status of order.
6. Coordination: Coordination with single and multiple suppliers ensures better clubbing of shipment through our associates.
7. Loading: Loading of goods under our supervision and provide loading pictures along with container photos through our associates.
8. Goods-clearance & Inland Transport: Due to our wide experience, we can arrange for the goods-clearance in India and also arrange inland transport to client warehouse for client convenience.
9. Warehousing: Arrangement for warehousing of goods at load port and destination port if needed by client, through our associates.

**Thus, we ensure hassle-free imports for you.**
